

Year 2 SATs presentation

2022

Aims of the session

- ▶ To give you a brief explanation of the assessments which will be carried out during the summer term in Year 2.
- ▶ To explain how these assessments will be carried out.
- ▶ To reassure you!

Quizzes not tests!

- ▶ The most important thing is that we do not call the tests tests!! They are quizzes...which we do all of the time. This is to ensure the children do not worry and just carry on doing what they have always done. Children love a quiz!!

So, what are SATs (quizzes)?

- ▶ In 2014/15 a new national curriculum framework was introduced by the government.
- ▶ Throughout your child's time at school we constantly assess and monitor their progress.
- ▶ We use lots of different ways of assessing what your child knows and the skills they have against the national curriculum.
- ▶ The SATs are just another small part of this picture.

What you will see at the end of the year

Using all the evidence we have gathered over the year you will be told whether your child has

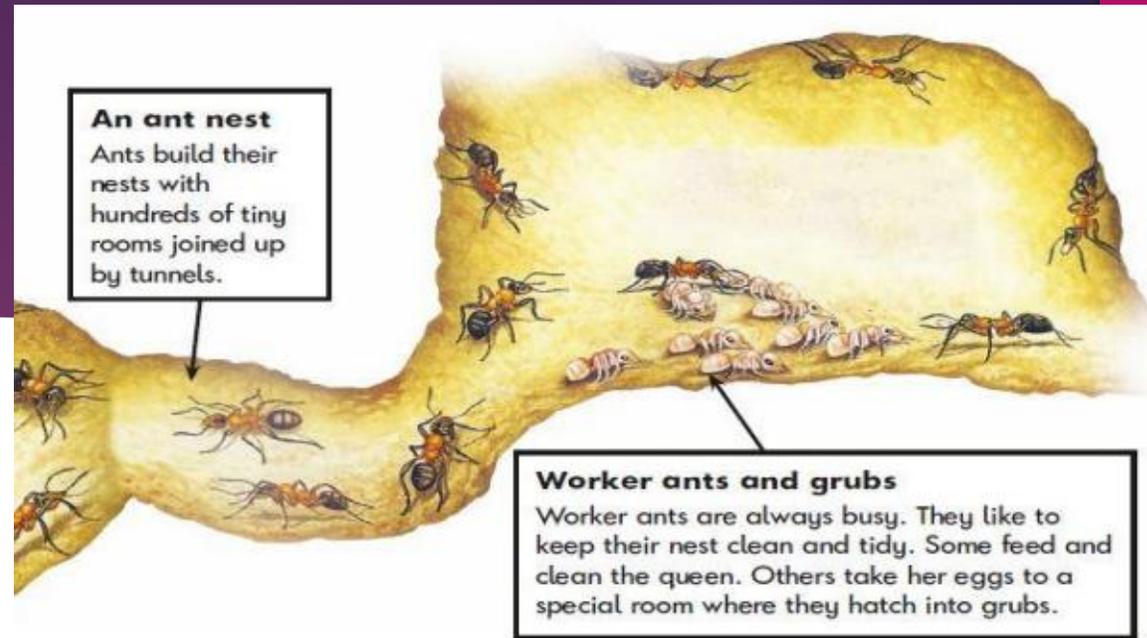

- ▶ **met** the 'national standard' in the curricular area.
- ▶ **exceeded** the national standard and demonstrated a higher than expected knowledge of the curriculum for their age.
- ▶ **not yet met** the national standard and performed below that which is expected for their age.
- ▶ You might also hear it described as working below, at or above age related expectations. (A.R.E)

At the end of Year 2, children will take SATs in...

- ▶ Reading; (including reading comprehension)
- ▶ Spelling, punctuation and grammar (SPaG)
- ▶ Maths
- ▶ The quizzes are due to take place in May.
- ▶ Writing – children's writing will be assessed by the teacher on writing they produce on a regular basis across a range of subjects and will be moderated across the year group.

Reading

- ▶ The Reading Test will consist of two separate papers:
- ▶ Paper 1 – Contains a selection of texts totalling between 400 and 700 words with questions about the text. This test provides the children with written information to read and questions to answer.

- 3 What joins the rooms in an ant nest together?

- 4 Give **two** jobs that the worker ants do.
1. _____
2. _____
- 5 What happens to the eggs in the special room?

Reading

- ▶ Paper 2 – Contains a reading booklet of a selection of passages totalling 800 to 1100 words.
- ▶ Children will write their answers to questions about the passage in a separate booklet.
- ▶ Most but not all children will sit the second reading test.
- ▶ This is more of a traditional comprehension exercise with a longer passage of text and a series of questions that require retrieval of information or the meaning of phrases and inference skills.
- ▶ The texts will cover a range of poetry, fiction and non-fiction.
- ▶ Questions are designed to assess the comprehension and understanding of a child's reading.
- ▶ Some questions are multiple choice or selected response, others require short answers and some require an extended response or explanation

Questions 1 – 9 are about Chapter 1 (Pages 3 – 4)

How can you help?

- ▶ First and foremost, support and reassure your child that there is nothing to worry about and that they should always just try their best. Praise and encourage!
- ▶ Ensure your child has the best possible attendance at school.
- ▶ Support your child with homework tasks including daily reading and regular time on TT Rockstars, Doodle Maths and Spelling Shed. Please also spend time checking that children are able to spell the year 1 and 2 spellings at the back of their Communication Book.
- ▶ Spend time practising handwriting (ideally cursive style). To be ARE, children need to make sure that letters are correctly formed and of an appropriate size.

What will we do in school?

- ▶ The children will get lots of practice on how they can answer the questions that they will be completing. They will learn what is expected of them through regular opportunities to see how the work will be laid out.
- ▶ The children may not even realise they are being tested because the teachers will keep things very low key, inviting them to do some 'special work'.
- ▶ We will give the children lots of breaks, lots of encouragement and lots of support.

- 
- ▶ The quizzes will take place in May
 - ▶ External moderation of these assessments will take place during June. Not all schools will be externally moderated.
 - ▶ As a school, we will moderate our judgements with other schools within the trust.
