Summer Term 1 Newsletter
Miss Stevinson

Dear Parents,

I hope that you all enjoyed the two week break. The children definitely deserved the rest after all their hard work and the residential! It is lovely to see the Y6s enter their final term with confidence and maturity, almost ready for the next big step!

We are very fortunate that Miss Smith will be working with our class on Thursday mornings still to teach French and Music and she will also be supporting the Y6 class with English and maths. In addition, Mr Scott will be taking the class for Active 30 sessions Mon-Wed and Mr Gibbons will be teaching Y6 this half term for PE on a Thursday.

Our class author continues to be JK Rowling and Rowling is now our class name!

Curriculum

This term we will be continuing with the My Happy Mind, RSE and KIVA programmes which are particularly important for Y6 to get prepared for their transition to secondary school and their wellbeing.

Science: Evolution and inheritance

RE: Islam

Computing: Understanding the Internet

Art- Egyptian chariot designs

French- School in France

Music- Composing and listening to music

History: Ancient Egypt

In English our class base their writing on class stories that we read. The half term we will read 'Hansel and Gretel' by Neil Gaiman, which is a fantastic dark interpretation of the classic tale. This will inspire our written work whilst meeting

the requirements of the new national curriculum. In addition to this we will have daily SPAG sessions.

It has been great to see that so many of the children have been practising their times tables at home and still using their "Times tables Rockstars" account to help them consolidate the areas that we have been covering in school. If your child does not have access to a computer or the internet at home then please let me know.

Every child in Y6 also has a Doodle Maths login which they should try and use little and often- around 10 mins a day- to build their confidence in their knowledge and skills.

P.E

This term the children will have P.E on a Thursday and Friday. It will be tennis with Mr Gibbons on Thursdays and Cricket on a Friday.

SATS Week

SATS week will run as follows:

Monday 9th May	SPAG papers
Tuesday 10th May	Reading Paper
Wednesday 11th May	Maths Arithmetic Paper Maths Reasoning Paper
Thursday 12th May	Maths Reasoning paper

Remember we are running a free breakfast club for Y6 Monday-Thursday this week at 8.30am.

Further support

As always please email if you would like any further support or have any queries:

The class email address is:
year6@actonceprimary.net.

Kind Regards

Miss Stevinson
