Four types of Love in the Bible:

God's love: It is never-ending and unconditional, he loves us even in our darkest times.

Parents love: It is similar to God's love however, there are little differences as we are humans.

Friend's love: It is surely one of the best bonds you can share with but it has few limitations and sometimes can be equal to parent's love in some special cases.

Neighbours love: This kind of love exhibits kindness and helping nature in some situations and also has limitations like friend's love.

Ten Bible stories about Love:

1. God's Love on Cross
2. Bible Story about Father's Love – Prodigal Son
3. Jochebed and Moses – Mother's Love
4. David and Jonathan – Friend's Love
5. Ruth and Naomi

6. Abraham and Issac
7. Issac and Rebekah – Bible Stories about Love
8. Adam and Eve
9. God's Chosen Nation – Israel
10. Mary Magdalene and Jesus Christ
