

Weekly Highlights

- Water Bottles – No Juice, just Water please.
- Face Masks to be worn by all parents/older siblings whilst dropping off or collecting.

Date: Friday 18th June 2021

Tempest Photograph

We were very lucky with the weather on Wednesday of this week and the children all had their photographs taken out on the school field. We are hoping that the proofs will be with us early next week, so that we can send them home to you to view. I hope you are very happy with them.

Y5 ART Project

Y5 children's project this term is the 'Romans', as part of it they are studying their fashion! With this in mind the children will be making 'Tunics and Togas' for 'Barbie/Ken' size models. They will be using their sewing skills, if you have any scraps of material for the children to sew with, Y5 would be very grateful.

School Uniform

We have had a lot of items left around school just this week alone, but as we have checked the labels for names to reunite with the rightful owner, we have come across empty name tags. Could we please ask you to just use a pen to pop your child's name on the tag, this way we can reunite with your child item quickly.

Warmer Weather

Can we please remind you to sent in with your child a sun hat and to apply sunscreen before they leave home. Also, please make sure they have their water bottles in school too.

Shout out to Parents

If you would like to speak to your child's class teacher, please either phone the school office on 01270 685131, email the school office admin@acton.cheshire.sch.uk or you can write in their communication diary and we will be able to arrange a telephone call with you.

- **This Weeks 'Shout Outs' to children**

Reception class: - Sophie & Zach

Year 1 class: - April & Joseph Griff

Year 2 class: - Dexter & Jude

Year 3 class: - Holly & Seth
